INAUGURAL MARKET DAYS

7-9 November, 2018  
Gauteng, South Africa

A totally transactional  
opportunity for investors

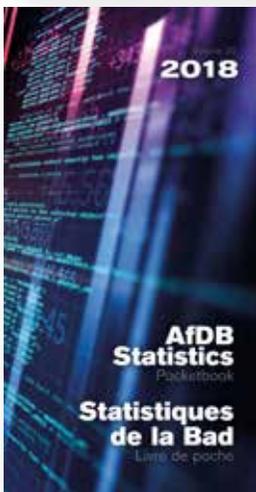

## Inaugural Market Days Document

## Voices from the Field

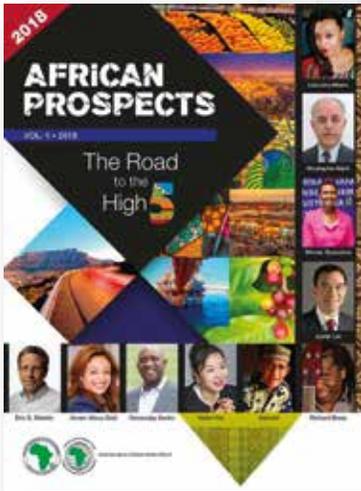

The ADF has cumulatively invested US\$ 45 billion in its operations on the African continent. The Fund's resources are replenished every three years by its donor countries. These are the voices of some of the beneficiaries.

## The AfDB Statistics Pocketbook

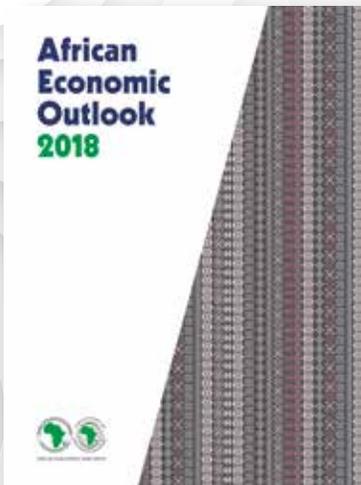

The publication is a summary of 2018 economic and social data on regional member countries and on the operational activities of the African Development Bank Group.

## African Prospects 2018

African Prospects 2018: The Road to the High 5s, provides reflections on where the continent stands on the High 5 Agenda, and identifies and explores the issues that matter the most as Africa moves ahead..

## The 2018 African Economic Outlook

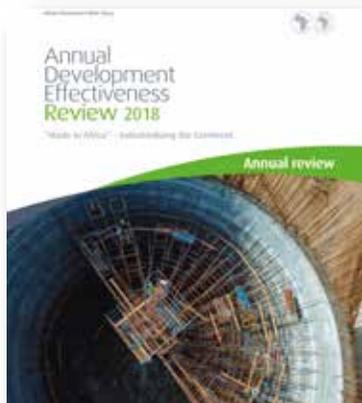

The publication bridges a critical knowledge gap on the diverse socioeconomic realities of African economies through regular, rigorous, and comparative analysis. It provides short-to-medium term forecasts on the evolution of key macroeconomic indicators for all 54 regional member countries of the African Development Bank.

## African Statistical Yearbook 2017

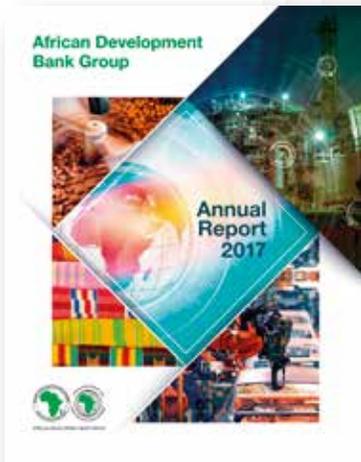

The Yearbook is the ninth edition jointly produced by the African Development Bank, the African Union Commission, and the United Nations Economic Commission for Africa. It is a result of the fruitful collaboration that exists among the three Pan-African organizations within the field of statistics.

## Annual Development Effectiveness – Review 2018

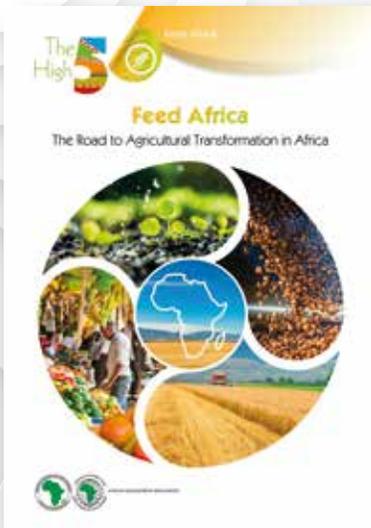

This Review publication is a key element in the results management cycle of the African Development Bank (AfDB, or the Bank). It reviews development trends across Africa in each of the High 5 priority areas and assesses how the Bank's operations have contributed.

## 2017 Annual Report

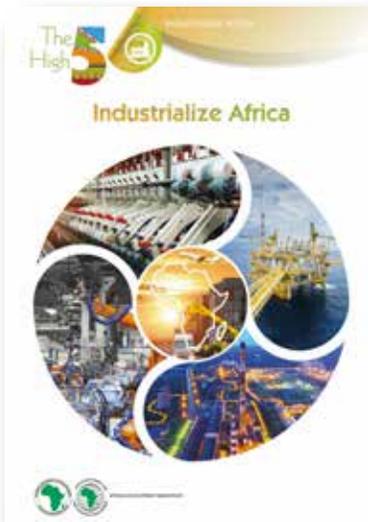

In the Annual Report, the Bank continued to strengthen, customize, and align its knowledge products to its High 5 priority areas while providing more policy-relevant analytical and advisory support and capacity building to Regional Member Countries.

## High 5 Feed Africa

African Development Bank's Feed Africa is an initiative to transform African agriculture into a globally competitive, inclusive and business-oriented sector - one that creates wealth, generates gainful employment, and improves quality of life. The initiative seeks to scale up existing and successful initiatives across Africa and beyond.

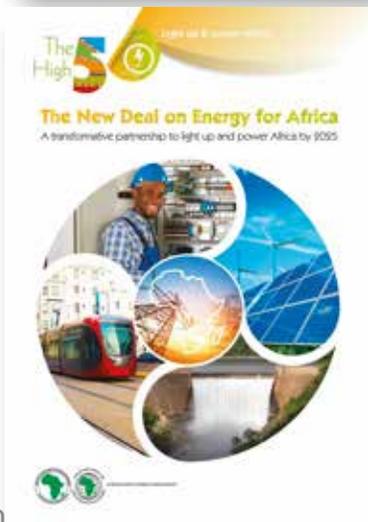

## High 5 Industrialize Africa

This publication presents a roadmap for implementing flagship programmes to scale up the industrial transformation of Africa. It also summarizes the rationale for:

- (i) The industrialization of Africa.
- (ii) Making industrialization a current priority.
- (iii) Freeing resources for the industrialization of Africa.
- (iv) AfDB's assistance in the industrialization of Africa.

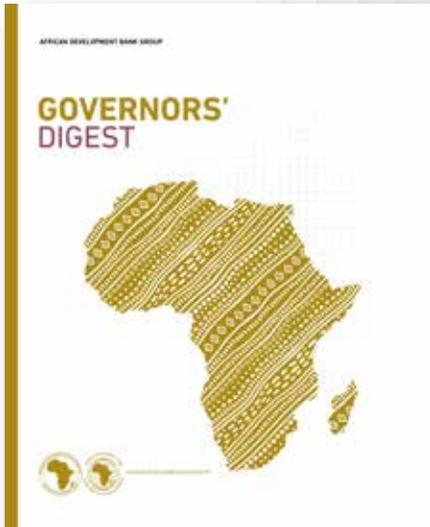

## High 5 New Deal on Power in Africa

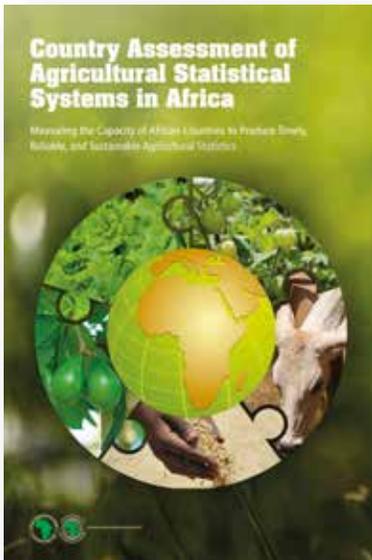

This initiative is a partnership-driven effort with the aspirational goal of achieving universal access to energy in Africa by 2025. To achieve this goal, the African Development Bank has worked with governments, the private sector, and bilateral and multilateral energy sector initiatives to develop a Transformative Partnership on Energy for Africa. This is a platform for public private partnerships for innovative financing in Africa's energy sector.

# Governor's Digest

This maiden edition of the Governors' Digest contains unique perspectives from several members of the Boards of Governors of the African Development Bank Group on the theme of the 2018 Annual Meetings – “Accelerating Africa’s Industrialization” – as well as other diverse topics of relevance to the economic and social development of the African continent.

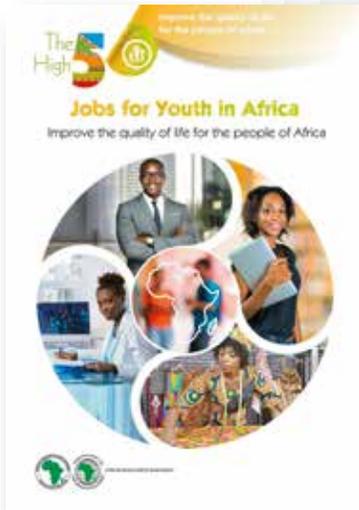

## Country Assessment Agricultural Statistical System in Africa

## African Development Bank's Foldout

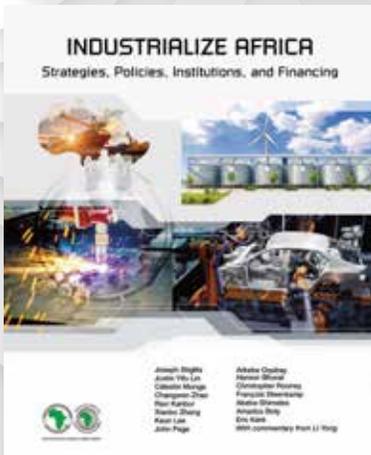

The folder provides key facts and figures about the Bank including cumulative bank group operations, synopsis of the Bank's strategy and High 5 Agenda.

## High 5 Jobs for Youth in Africa

The African Development Bank established Jobs for Youth in Africa (JfYA) to address the continent's youth employment challenges. Its aims are to expand employment opportunities, strengthen human capital, and build durable labor market linkages. It plans to create 25 million jobs and impact 50 million youth over the next decade.

## Industrialize Africa Strategies, Policies, Institutions and Financing

The publication points the bank's commitment to industrialize Africa through mobilizing capital, de-risking investments for the private sector, and leveraging capital markets. This is essential for moving Africa's Industrial agenda forward and for building an Africa of the twenty-first century that is well positioned to take its place in global value chains.
